

Mythbusting FSMA 204

**Compliance is easier (and far less expensive)
than you think!**

Myth #1

Where I save my supplier data
doesn't matter...

BUSTED

Myth #2

The hardest part of
working with trading partners
is organizing data....

BUSTED

Myth #3

I have plenty of time –
I don't need to do anything for a while....

BUSTED

Myth #4

My Distributor can hold my data,
so I don't need to do anything....

BUSTED

Myth #5

Software & Technology
are always expensive.

BUSTED
