State Regulations & Eggs

Food Safety Summit Wednesday, May 8, 2024 Kim Rice VP Food Safety and Quality Assurance Rose Acre Farms

Who regulates Eggs? It's a toss up!!!

Eggs from production to consumption

Production

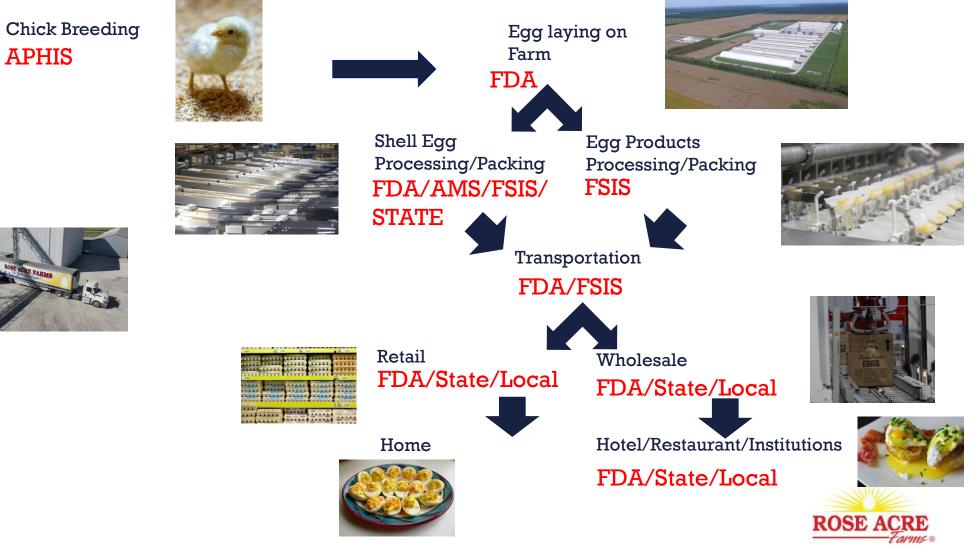

Processing

Transportation

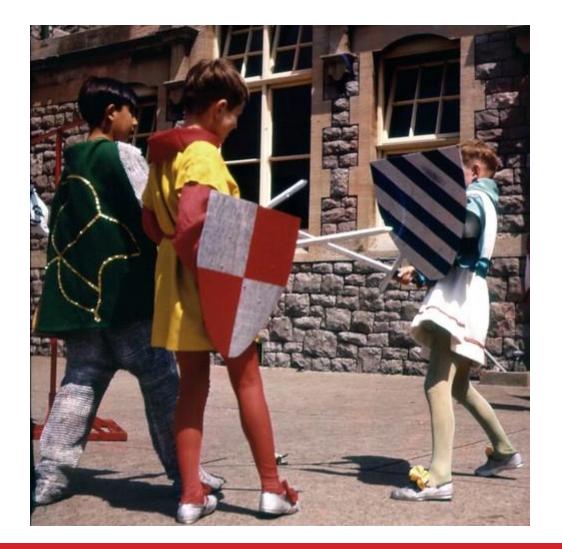

Storage/Distribution

Handling & Preparation

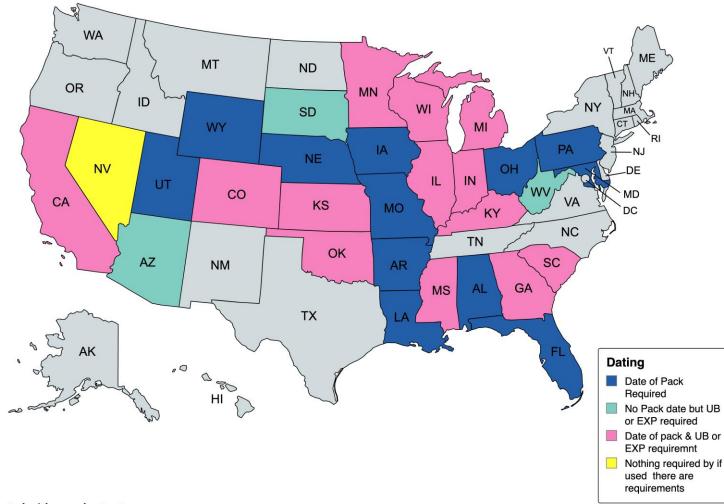

State Regulations- it's like a playground brawl!

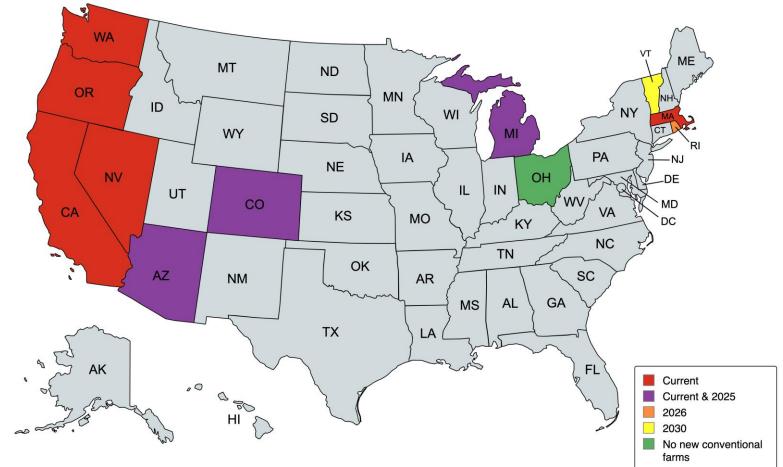

State Egg Dating requirements

USDA graded product (regardless of state) is required to have pack date and has requirements for SB or EXP if used)

Created with mapchart.net

State raising requirements

It can be a mess!
